

Corporate Finance

If you want to raise finance for your business, invest in a new business or sell part or all of your current business we have the expertise to assist.

Funding

We can help you:

- Prepare a business plan;
- Assess which type of finance is best for you;
- Evaluate offers of funding; and
- Negotiate with financiers.

We can also:

- Review the long term capital structure of your business.

Investing

We can help you:

- Identify target businesses;
- Approach the sellers;
- Co-ordinate the transaction;
- Negotiate the deal; and
- Form an exit strategy.

We will also:

- Perform the due diligence checking required;
- Advise on tactics, terms and conditions of the deal; and
- Prepare completion accounts.

Selling

We can help you:

- Think through the options;
- Manage the transaction;
- Value the business for sale;
- Prepare information for buyers;
- Identify buyers; and
- Negotiate the deal.

We will also:

- Lead you safely through the tax maze.
